Dear [Redacted]

STAT

Over the past several months the [Redacted] has indicated considerable interest in developing a program containing many ideas and items of possible interest to the Government. The National Photographic Interpretation Center has been made aware of [Redacted] interest by means of proposals which have been submitted. Since the receipt of these proposals, we have had an opportunity to evaluate the current and potential interest of NPIC in sponsoring the proposed development work. Those proposals which have been under active consideration are as follows:

[redacted] at no cost to the Government, NPIC is not in a position to take positive action on these proposals during the remainder of Fiscal Year 1961 or for Fiscal Year 1962. Copies of several of your proposals have been distributed to concerned components of CIA. Should these components have interest and desire to take action on these proposals, notification will be made by them directly to [redacted] through normal Agency channels.
